 Community Electric Aggregation Notification

Dear Resident or Small Business,

Welcome to your community's electric aggregation program. Members of your community voted in favor of municipal aggregation, a program authorizing your local officials to purchase electricity from an electric generation supplier. Energy Harbor has been selected by your community to provide your electric generation.

How You Benefit

By participating in the aggregation program, you will receive the following exclusive pricing. Prior to the end of each term, you will receive a new notice updating your community pricing. You may opt out again, rejoin, or remain in the program.

Your Electric Utility	Fixed Price Per Term	Term End	Cancellation Fee
Ameren Illinois	12.20 cents/kWh 9.85 + 2.35 cents/kWh Capacity Charge ¹	July 2023	None
Ameren Illinois	TBD cents/kWh 9.85 cents/kWh + TBD Capacity Charge ¹	July 2024	None
Ameren Illinois	TBD cents/kWh 9.85 cents/kWh + TBD Capacity Charge ¹	December 2024	None

Same Reliable Service

You will continue to receive a single, easy-to-read bill from your electric utility with your Energy Harbor charges included. There is no cost for enrollment, you will not be charged a switching fee, and **you do not need to do anything to participate.**

Price to Compare

Energy Harbor is not the same entity as your electric delivery company. You are not required to enroll with Energy Harbor. Beginning on October 1, 2022, the current electric supply price to compare is 12.236 cents per kilowatt hour for residential and 14.085 cents per kilowatt hour for small business. The current utility electric supply price will expire on May 31, 2023. The utility electric supply price to compare does not include the purchased electricity adjustment factor. For more information go to the Illinois Commerce Commission's free website at www.pluginillinois.org.
