Amy-

Please find attached the social media plan to recognize 2022 Bulldog Bash Sponsors. All posts have been approved by the sponsors. Jimmy John's declined the opportunity to be featured.

Here's a quick run-down of content:

- Monday 3.28 | Sunset Landscaping
- Tuesday 3.29 | Fisher National Bank
- Wednesday 3.30 | Rawdin Auction Services
- Thursday 3.31 | Core Construction
- Friday 4.1 | Tenet Wealth Partners
- Monday 4.4 | Brad and Carrie Barker
- Tuesday 4.5 | Mike and Jill Kellner
- Wednesday 4.6 | Busey
- Thursday 4.7 | Carmon's

I've also attached all the needed logos to include. You mentioned Canva the other night – I don't have experience with that program/capability. Will posting the logo, tagging the business (notice the @'s in the plan) and using the provided copy work for our needs?

Let me know of any questions as you review. Thanks for all you do!

Subject: FOIA Amendment

Dr. Lee,

After our phone conversation, I would like to amend the FOIA request I recently submitted to include:

All communication, texts and emails, including attachments with any representatives from Core Construction Services of IL, in regards to the needs assessment, Bulldog Blueprint, and/or the referendum from July 2017 to April 2021. This includes communication with Lindsey Hall, Max McComb and Nathan Mills.

I would also like to point out that I have emails from FOIA responses with the Village that indicate that Mr. McComb regularly discusses school business with his ReMax, mchsi.com and another email with Champaign Homes...or something along those lines, to discuss school business. These emails have never been included in a M-S response, but I hope that as these responses are compiled, these channels are also explored.

Additionally, I would like to request:

All communication, texts and emails, including attachments, contracts or agreements with any representatives from Core Construction Services of IL, Davis Electric, Davis-Houk Mechanical, Harold O'Shea Builders, Inc with the keyword "donation."

Hello,

I had never done this before, but it is my understanding that the District has done this before. We are reaching out to some of our larger vendors to see if they would like to make a donation toward a basket that will be auctioned off...

It will be noted who donated/sponsored toward the basket, but also the money will be for MACY (Mahomet Area Youth Club); they then in turn provide scholarships

to students for Summer Programming and/or After School Programming.

Please let me know if your company would like to be a sponsor and if so, how much they would like to donate.

Thank you!

Heather

Amy-

Please find attached the social media plan to recognize 2022 Bulldog Bash Sponsors. All posts have been approved by the sponsors. Jimmy John's declined the opportunity to be featured.

Here's a quick run-down of content:

- Monday 3.28 | Sunset Landscaping
- Tuesday 3.29 | Fisher National Bank
- Wednesday 3.30 | Rawdin Auction Services
- Thursday 3.31 | Core Construction
- Friday 4.1 | Tenet Wealth Partners
- Monday 4.4 | Brad and Carrie Barker
- Tuesday 4.5 | Mike and Jill Kellner
- Wednesday 4.6 | Busey
- Thursday 4.7 | Carmon's

I've also attached all the needed logos to include. You mentioned Canva the other night – I don't have

experience with that program/capability. Will posting the logo, tagging the business (notice the @'s in the plan) and using the provided copy work for our needs?

Let me know of any questions as you review. Thanks for all you do!

This does not include everything as much was purchased from Nichols and Home Depot Pro before we started the grant, so it was coded in different accounts. There are also staff we paid for testing and to come up with an opening plan that I did not think you would need. The nurses supplies, things were only claimed if they pertained to COVID.

Dr. Lee,

After our phone conversation, I would like to amend the FOIA request I recently submitted to include:

All communication, texts and emails, including attachments with any representatives from Core Construction Services of IL, in regards to the needs assessment, Bulldog Blueprint, and/or the referendum from July 2017 to April 2021. This includes communication with Lindsey Hall, Max McComb and Nathan Mills.

I would also like to point out that I have emails from FOIA responses with the Village that indicate that Mr. McComb regularly discusses school business with his ReMax, mchsi.com and another email with Champaign Homes...or something along those lines, to discuss school business. These emails have never been included in a M-S response, but I hope that as these responses are compiled, these channels are also explored.

Additionally, I would like to request:

All communication, texts and emails, including attachments, contracts or agreements with any representatives from Core Construction Services of IL, Davis Electric, Davis-Houk Mechanical, Harold O'Shea Builders, Inc with the keyword "donation."

Hello,

I had never done this before, but it is my understanding that the District has done this before. We are reaching out to some of our larger vendors to see if they would like to make a donation toward a basket that will be auctioned off...

It will be noted who donated/sponsored toward the basket, but also the money will be for MACY (Mahomet Area Youth Club); they then in turn provide scholarships to students for Summer Programming and/or After School Programming.

Please let me know if your company would like to be a sponsor and if so, how much they would like to donate.

Thank you!

Heather

This sounds like such a wonderful idea to gift your staff. Certainly deserving after all the work, effort, energy, dedication poured out each day (especially during the pandemic)

We'll donate \$750. A little extra to cover costs for anything else you'd like to throw in for yourself/them!

I will confirm and get back with you promptly...

Good morning Mikayla,

This falls into the "it never hurts to ask category"--and I understand completely if the answer is no.

We are planning the beginning of our school year and after the last 17 months of the pandemic, we want to do something special for our staff to kick off the year on August 16. Our students start on August 18.

We'd like to get t-shirts for our entire staff--this is about 400 people, and I was wondering if CORE would want to help sponsor that in return for a logo on the back of the t-shirt? I am thinking a \$500 donation.

Again, I completely understand if this isn't the route you'd like to go. You've been so welcoming to any requests, I thought I'd ask!

Take care and looking forward to July 21st!

Hi Dawn,
I was looking at the board packet and noticed that the financial report was missing. Could you please send that along to the board as soon as possible?
Thank you,

Hello, everyone. My apologies. I missed adding the financial report, critical flag report, and a report from Lincoln Trail to the packet. As I organized materials for the meeting, I clearly forgot to add the materials from one of the sections. I have attached the missing reports for you here. I have also attached an updated Board Packet. I am sorry for the oversight. The public packet has been updated as well.

Have a great day and see you this evening,
Dawn

Hi There,

We are interested in making a donation to the Bulldog Bash. I am mailing in a \$250 donation from Jessie DeHaan. I have attached her logo and information as I think you needed this in the past. When we got the donation letter in the mail, we did not get a donation card with level options, etc.

So I hope this is all I need to do. Just let me know.

Thanks so much and have a great day!

This does not include everything as much was purchased from Nichols and Home Depot Pro before we started the grant, so it was coded in different accounts. There are also staff we paid for testing and to come up with an opening plan that I did not think you would need. The nurses supplies, things were only claimed if they pertained to COVID.

Dr. Lee,

After our phone conversation, I would like to amend the FOIA request I recently submitted to include:

All communication, texts and emails, including attachments with any

representatives from Core Construction Services of IL, in regards to the needs assessment, Bulldog Blueprint, and/or the referendum from July 2017 to April 2021. This includes communication with Lindsey Hall, Max McComb and Nathan Mills.

I would also like to point out that I have emails from FOIA responses with the Village that indicate that Mr. McComb regularly discusses school business with his ReMax, mchsi.com and another email with Champaign Homes...or something along those lines, to discuss school business. These emails have never been included in a M-S response, but I hope that as these responses are compiled, these channels are also explored.

Additionally, I would like to request:

All communication, texts and emails, including attachments, contracts or agreements with any representatives from Core Construction Services of IL, Davis Electric, Davis-Houk Mechanical, Harold O'Shea Builders, Inc with the keyword "donation."

Hello,

I had never done this before, but it is my understanding that

the District has done this before. We are reaching out to some of our larger vendors to see if they would like to make a donation toward a basket that will be auctioned off...

It will be noted who donated/sponsored toward the basket, but also the money will be for MACY (Mahomet Area Youth Club); they then in turn provide scholarships to students for Summer Programming and/or After School Programming.

Please let me know if your company would like to be a sponsor and if so, how much they would like to donate.

Thank you!

Heather

Hello,

I had never done this before, but it is my understanding that the District has done this before. We are reaching out to some of our larger vendors to see if they would like to make a donation toward a basket that will be auctioned off...

It will be noted who donated/sponsored toward the basket, but also the money will be for MACY (Mahomet Area Youth Club); they then in turn provide scholarships to students for Summer Programming and/or After School Programming.

Please let me know if your company would like to be a sponsor and if so, how much they would like to donate.

Thank you!

Heather

Hello,

I had never done this before, but it is my understanding that the District has done this before. We are reaching out to some of our larger vendors to see if they would like to make a donation toward a basket that will be auctioned off...

It will be noted who donated/sponsored toward the basket, but also the money will be for MACY (Mahomet Area Youth Club); they then in turn provide scholarships to students for Summer Programming and/or After School Programming.

Please let me know if your company would like to be a sponsor and if so, how much they would like to donate.

Thank you!

Heather

Got it. I'm confirming her sponsorship thru Bidpal w/ Kyle.

I'll include them on social like the Barkers. Yes; I think we give all the sponsors a stand-alone slide in the video and combine the donors of the live/silent auction items onto various slides.

Again (so you have it all in the same email thread), here is the updated sponsor list:

Bulldog Bash Sponsors				
Business Name	Contact First Name	Contact Last Name	Sponsorship Commitment	Sponsorship Level
Carmon's	Hans and Jama	Grotelueschen	\$5,000 (In-Kind)	Presenting
Busey Bank	Kristen	Bosch	\$5,000	Presenting
	Brad and Carrie	Barker	\$1,500	Silver
Rawdin Auction Service	John	Rawdin	\$1,000 (In-Kind)	Silver
Core Construction	Mikayla	Vincent	\$1,000	Silver
Tenet Wealth Partners	Kyle	Wetters	\$1,000	Silver
	Mike and Jill	Kellner	\$1,000	Silver
Jimmy John's	Carolyn	Gaudio	\$1,000	Silver
	Carolyn	Gaudio	\$500	Bronze
Sunset Landscaping	Justin	Lamb	\$500	Bronze
Fisher National Bank	Jordan	Rock	\$500	Bronze
Country Financial	Jessie	DeHaan	\$250	N/A

Hi,

Yes, I think that is what she meant. I assumed (haven't looked) that she did it through BidPal, and that we should give her all of the "perks."

Should we give both her, the Barkers, and John Rawdin Auction their own slides? That would better align with sponsor packages, right?

Thanks,

Stacy

I was a little confused by Jill's comments at the end of tonight's meeting. Did she mean that they had made a \$1,000 donation and wanted to be listed as a sponsor of Bash? Happy to give her sponsorship credit but didn't know if I needed to add them to the sponsorship spreadsheet and work them into the social media recognition plan, etc.

Let me know and I'll get everything updated accordingly 😊

So, I don't have Google access at work and the materials are saved to my work computer. I've attached them here in case you're able to pull them over to the Google Drives folder.

I'm still waiting on a Tenet logo but here are the rest. For John Rawdin and Barkers, I think listing them on individual slides by name is fine.

And here's the sponsor list so you can make sure you have them all:

Hi again,

Can you help with the sponsor logos for the video we are creating?

I am going to add you to document where I am listing things/people/sponsors that need to be included. Could you add to it with the information you know/have that should be included?

Would it be possible for you to put the logo into the doc? Or, I can add you to the google folder that we are sharing with pics in it. Let me know what works best.

I will add all of the silent auction/in-kind donors.

Thanks a bunch,
Stacy
